HERE'S HOW WE CRAFTED OURS.

PERFECTING STRENGTH EQUIPMENT FOR OVER 40 YEARS

Atlantis was born from a passion for innovation and change. We aspire to break the mould of standard strength equipment in a desire to push the human body past any and all of its conceived limits. Our goal is to create our own success and leave an indisputable legacy in its wake. We strive to create legends.

That's why our vision at Atlantis Strength is to build the world's best-performing strength equipment. In this journey, we are committed to learning, diversifying, and improving in order to continuously offer equipment that is a cut above the rest. Our success lies in seeing our clients achieve greatness; your story can, and always will, help shape ours.

**WE AT ATLANTIS STRENGTH INVITE YOU
TO JOIN US IN OUR PASSION FOR FITNESS,
SELF IMPROVEMENT, AND MOST OF ALL,
IN SHAPING GREATNESS.**

1982

Canadian bodybuilding champion **Raymond Sansoucy** builds his first piece of equipment driven by the idea of increased efficiency and ergonomics.

1987

The **demand for Atlantis equipment continues to grow**, causing consistent upgrades to the Atlantis Strength facilities over 5 year intervals in order to meet the demand across Canada and into the United States.

1998

Atlantis finally settles into its current facility, north of Montreal, that we know and love today. At this point, the presence of our commercial gym now doubles as a **showroom and testing facility**, housing our entire product line.

2022

From humble beginnings, Atlantis Strength is now proudly **Canada's largest commercial strength equipment manufacturer.**
